

Cruise - Marine - Hotel  
Specialized Global Logistics Solutions

Passion, Experience and Relentless Execution

## ESTABLISHED HISTORY AND STABILITY

Since 1965, EMO Trans has moved cargo across distances and borders, handling virtually every facet of worldwide shipping. Our network of more than 250 locations in 120 countries means real-time information and problem solving.

We're large enough to command excellent service at very competitive pricing, but small enough to deliver flexible, customized programs and personalized service. We're strong enough to have an aggressive presence in world markets, but also nimble enough for local decision making, fast response and direct accountability.

If your business moves fast and needs a partner that can be there every step of the way, we're the perfect fit and equipped with the experience and knowledge required to handle all of your logistics needs.
